CITATION

It is our privilege to award the Certificate of Merit to Aarvee Associates Architects Engineers & Consultants Private Limited, Hyderabad for excellence in Consultancy Services for preparation of water supply Conceptual Design Report (CDR) for twelve (12) surrounding municipalities (recently merged with Municipal Corporation of Hyderabad and formed as Greater Hyderabad Municipal Corporation).

Aarvee Associates Architects Engineers & Consultants Private Limited is a leading consultancy organization offering Planning, Design, Project Management, Environmental Engineering and GIS services, Highways, Bridges, Railways, Water Supply, Waste Water Management, Ports, Irrigation, Architecture, Urban Planning and Urban Infrastructural sectors.

The Project designed by developing a decision support system integrating network analysis, GIS and collaborative tools, sets a bench mark in domestic water supply sector. The innovative analysis and approach adopted by M/s Aarvee Associates resulted in significant cost and time saving as compared to the conventional procedures. The quality of work is comparable with International Standards and has been well received by the Client.
